CUSTOMISED FOR YOUR SITE

Your idea. Your space.

Every model is customisable. Choose an elevation here, or send your own reference.

We adapt your chosen exterior style to your requested built-up area, room needs and land dimensions.

WHAT WE WILL SHARE

Site concept layout

How the building or cottages could fit on your land.

Floor plan & 3D floor plan

Room arrangements and a 3D view of the proposed layout.

Interior & exterior 3D views

Concept views showing the proposed spaces and outside appearance.

Layout, proportions, structure and materials will be refined for your site and required area.

YOUR NEXT STEP

Send your ideas to us.

Share these details on WhatsApp:

01 Your chosen model number and screenshot, or your own reference.

02 Site location, land dimensions and site photos.

03 Required built-up area in sq.ft, room count and approximate budget.

One building or separate cottages? Tell us your preference, or we can help you explore both.

We will discuss your customised concept, materials, estimate and the next design steps.

Exterior references only. Final design, materials and scope will be agreed for your project.
